

UT-055-3809

NOTICE  
OR

PLAN OF OPERATIONS

(For Operations Proposed Under the 43 CFR 3809 Regulations)

(For BLM use) Serial No.  
Date Received

Instructions to Claimant/Operator: Circle "Notice" (above) if proposed mining activity within the project area will disturb a total of five (5) acres or less during the calendar year. Circle "Plan of Operations" if disturbance will exceed five (5) acres during the calendar year or if operations are within one of the specially designated areas described in 43 CFR 3809.1-4(b). Complete the form in as much detail as possible. Additional sheets may be used if necessary. Use maps or sketches where appropriate (maps or sketches are required for submitted plans of operations and are recommended for submitted notices). A review of the 43 CFR 3809 regulations should be conducted prior to completion of this form and submission to the appropriate BLM office.

Operator Information:

Name

WESTERN STATES  
LIMESTONE COMPANY

Address

6575 W. 7300 N.  
AMERICAN FORK  
UTAH 84003

Telephone

756-3838

Claimant Information (If different than operator):

Name

Robert Steele  
Terry Steele

Address

Nephi Utah  
1055 N. 400 E. 84648

Telephone

Claim Information (Claim names, circle claim types (Lode, Placer, Mill Site, Tunnel), UMC Serial Number. List only the claims where the disturbance is proposed):

TRAVERTINE #1

Location of Proposed Activity (i.e. County, Township, Range, Section and Quarter section):

Garab County  
SW 1/4 Sec 14  
T 14 S. R 3 W

Describe Pre-Existing Disturbances and Structures or Indicate on Maps or Sketches (Mine and Mill Facilities, Workings, Tailings, Dump Areas, etc... It may be to your advantage to document existing disturbance with photographs):

There is a pre existing open pit at the site.

Describe Access Routes (Existing and proposed, for proposed road construction specify length and width in feet):

Access Road of 700' x 25' will be constructed to use the existing access onto highway SR 132. directly East of the mining claim.

14 acres

Proposed Operations: Describe the entire proposed operation, including the type of material being removed and all surface disturbing activities (road construction, drilling, trenching, backhoe and bulldozer exploration, mining, waste disposal, etc.). List all mechanized earth moving equipment to be used during the operation and state if any hazardous materials or explosives are to be utilized. Describe and furnish a map or sketch, when applicable, showing existing surface disturbances, structures, facilities, etc., and the location and size of areas where surface disturbance are proposed, including existing and/or proposed routes of access. Calculate the total acreage proposed for disturbance (1 AC. = 43,560 sq. ft.).

We propose to remove high Calcium Limestone from an existing mined area. We will drill & Blast this material. The amount of material removed will be in excess of 5,000 tons. We will remove everything we produce and will stockpile any soil we remove on site.

Date Operations are Proposed to Commence as Outlined in this Submittal - (Month, Day, Year):

4-10-95

Proposed Completion Date - (Month, Day, Year):

INDEFINATE

Proposed Reclamation: Describe the proposed reclamation procedures and other measures to be taken to prevent unnecessary or undue degradation of the lands, including measures to be taken if a period of non-operation is anticipated. When reclamation has been completed, the Authorized Officer of the BLM shall be notified so that an inspection of the area can be made.

Top soil will be replaced to a depth of 6" and the area will be reseeded, once we are completed with the mining activity.

I hereby declare that I, or persons I have authorized to do so, will complete all necessary reclamation of areas disturbed during the course of my operations to the standards described in 43 CFR 3809.1-3(d) and that reasonable measure will be taken to prevent unnecessary or undue degradation of the federal lands during operations.

Notice to Claimants/Operators:

1. A notice submitted in relation to the 43 CFR 3809 regulations does not require approval from the BLM. However, notification of such activities shall be made at least 15 days before commencing operations. Approval of a submitted plan of operations is required from the BLM prior to commencing operations. The BLM will promptly acknowledge receipt of a plan and will notify the claimant/operator of the status of the plan within 30 days of receipt.
2. Approval of a plan of operations does not constitute certification of ownership to any person named as claimant/operator herein, nor does approval constitute recognition of the validity of any mining claims named herein.
3. Information and data submitted and specifically identified by the operator as containing trade secrets of confidential or privileged commercial or financial information should be attached to a separate page and cited in the text of the notice or plan of operations. This information will be filed separately by the BLM and will not be available for public inspection.
4. Failure of an operator to file a notice under 3809.1 - 3 or a plan of operations under 3809.1 - 4 will be subject to the operator, at the discretion of the authorized officer, to being served a notice of non-compliance or enjoined from the continuation of such operations by a court order until such time as a plan or notice is filed with the authorized officer.
